REDEEMER Reformed Presbyterian CHURCH

Redeemer Reformed Presbyterian Church, located at 548 Luzerne Rd., Queensbury is excited to present, for the sixteenth year, Ambassadors Soccer Camp for children in our community. We use materials provided by Ambassadors Football. Ambassadors Soccer Camp is designed to give young players of all abilities an opportunity to learn basic and advanced soccer skills in a fun, positive, and encouraging environment.

In addition to teaching the skills of the game, and developing teamwork and sportsmanship, the coaches will share God's love with the players during a time of devotion based on the Bible. The camp culminates with a "World Cup" competition which proves to be a favorite of all players.

We thank the City of Glens Falls for offering Crandall Park and the Band-shell for this youth programming. Additional registration materials are available using this link where you can download additional forms.
